

NYS Certified Teachers Needed for Scoring ELA, MATH & Science Assessments!

Optimum Solutions Corp. is looking for certified K-6 and 7/8 ELA, MATH & Science teachers to electronically score NYS assessments during April, May & June 2016. You should have experience either teaching the Common Core curriculum in a classroom or scoring the Common Core Assessments during the past 2 years. Retirees can also meet certain criteria to be scoring candidates. Scoring will be held at a facility in **Nassau and/or Suffolk County**.

ELA:

- ELA scoring will be conducted from April 9th through April 20th, 8:00AM – 9:00PM including weekends.

MATH

- MATH scoring will start April 23rd and will conclude no later than May 8th, 8:00AM – 9:00PM including weekends.

SCIENCE:

- Science scoring will run from June 6th through June 11th, times TBA.

DETAILS:

- Paid training sessions are conducted at times convenient for the majority of scorers.
- Active teachers who want to score after school or on weekends can bypass OSC training if they provide proof from their district that they have scored the 2016 test(s). Successful completion of the CAS will be required before scoring with OSC.
- We are looking for scorers, back readers and table leaders. Selection for a “leader” position will be based on your resume, scoring experience, references, availability and/or an interview.
- Scoring salaries **start** at \$20.00 per hour
- Back reader salaries **start** at \$27.50 per hour
- Table leader salaries **start** at \$35.00 per hour

If you or anyone you know may be interested, please visit scoringinfo.oscworld.com for instructions on registering to become a part of our team.

Thank you,

The OSCWorld Scoring Team
