Completion of all SBL and SDL courses is recommended before taking the SDL assessment. Whenever possible, **we encourage all students to take Parts One and Two of each assessment on different days.**

A minimum enrollment of 10 students is required for the sessions to be offered. The Test Prep sessions will include: highlights of relevant coursework concepts. Use the SBL and SDL New York State Certification Examinations Preparation Guides in constructing narrative responses to content specific issues. You can only attend Test Prep after attending Internship Orientation.

Important News from NYSED

At the March meeting, the Board of Regents adopted a regulatory amendment to create a safety net for the two-part School Building Leader (SBL) Assessment. For the safety net, candidates may take Part One of either the Revised (Sept. 2013) SBL Assessment or Revised (May 2019) SBL Assessment and may take Part Two of either the Revised (Sept. 2013) SBL Assessment or Revised (May 2019) SBL Assessment, until August 31, 2024. The August 31, 2024 date is two years after September 1, 2022, the date by which all SBL programs must be aligned with the PSELs.
